# Coin Week set

“Numismatics: A Foundation for Friendship,” is the theme of this year’s National Coin Week, April 15-21, according to local numismatist Paul Miller.

Miller, a millwright at Sheffield Steel, is a district representative of the American Numismatics Association and coordinates 87 local coin clubs throughout Oklahoma and five surrounding states. In addition to his national work, Miller has been instrumental in getting Gov. George Nigh to sign a proclamation saluting coin week in the state.

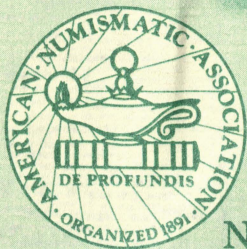

National Coin Week is designed to draw attention to the symbolic value of coins. “As coins are a thing of value, so are friendships,” Congressman Frank Annunzio said as he sponsored the designating legislation.

“We all recognize the intrinsic value of a coin. But coins are symbolic as well,” Annunzio said. “We have all thrown a penny into a fountain wishing for good luck for ourselves and our friends. We have donated coins to charities to exercise goodwill toward our fellow man. Even flipping a coin to resolve a dispute between friends is a common occurrence.”

Miller adds that friendships are established through meeting and dealing with other coin collectors at coin shows and conventions. He is looking forward to this year’s state convention to be held June 1-3 at the Tulsa Assembly Center.

Miller invites any local coin collectors who would like to join the American Numismatics Association to contact him at P.O. Box 332, Sand Springs, OK 74063. His telephone number is 245-6953.
